## **BENECARD PBF OPENS NEW OFFICE IN BONITA SPRINGS, FLORIDA**

*Pharmacy benefit manager adds 65 jobs to community*

**MECHANICSBURG, Pa.** – BeneCard PBF, a pharmacy benefit manager focused on controlling costs through effective clinical initiatives, today announced it opened a new office at 28000 Spanish Wells Boulevard, Bonita Springs, Florida. The office will employ 65 people in executive management, call center staffing, operations and similar positions.

“The cost-effective, business-friendly environment of Bonita Springs will translate into benefits for our clients,” said Michael Perry, president of BeneCard PBF. “We have a strong focus on our employees’ well-being, which, in turn, helps us deliver superior service to our clients and members. The high quality of life in the Bonita Springs community furthers that goal.”

BeneCard PBF, headquartered in Mechanicsburg, Pennsylvania, provides an open and transparent business model that combines personalized member and client service with business informatics and sound clinical management to control trend. Operating on a proprietary, state-of-the-art claim processing system that was developed to support BeneCard PBF’s fully transparent model, the organization successfully delivers savings to its clients and members.

BeneCard PBF earned the *highest client satisfaction rating in every category* in which BeneCard PBF was compared to all pharmacy benefit managers, including "Delivering Promised Service" and "Delivering Promised Savings" in the Pharmacy Benefit Management Institute's 2015 customer satisfaction survey, validating BeneCard PBF’s service model.

### **About BeneCard PBF**

BeneCard PBF concentrates on patients and their unique medical histories. That’s the way it should be in functional medicine because everyone is different. With locations in Florida, Pennsylvania and New Jersey, BeneCard PBF maintains a philosophy of "Clients and Members: Always First," which ensures BeneCard PBF delivers on every promise.
